of the city of Maysville, Ky., has is contemplated. It is probable the as Mercury will surely destroy the C. S. Leach, the missing treasure of the city of Mayaville, Ky., has turned up in Montreal. His books are being examined and a shortage of \$4.533 has already been found. Cloverport, where the steamer City articles should never be used except of \$4.353 has already been found. Leach, true to his name, seems to have filled himself pretty full at the expense of the body politic spor which he was fastened.

During the month of January there were 274 deaths in the city of Louisville, nearly 20 per cent of them from consumption. Few people imagine how many lives are augually destroy ed by this dread disease, which is more wide-spread, more relentles and more to be dreaded than yellow fever, that worst of all contagious

For more than a year past Senator Vance has suffered from a disease of the eyes which has caused him to lose the sight of one entirely. Last week the diseased eye was removed in order to prevent the good eye from becoming affected through sym pathy. The operation was successful and the Senator is already back in his seat greatly improved.

"Judge" Rucker, the gentleman who was after Joe Blackburn's scalp last fall, has gained some more noto riety by slapping an editor's jaws in a Denver saloon, while the newspaper man was taking a drink with the Chief of Police and Senator-elec-Wolcott. Rucker was "pulled" and hurried off to jail before the astonished journalist had time to stab him with his pencil.

Even Portugal, the little 4x9 kingdom on the ragged edge of nowhere has insulted the American flag by arresting the captain of one of our whaling yessels on the high seas and searching his ship for dutiable goods Finding a lot of tobacco, the captain was taken to an island and fined \$500. and has been held as a prisoner of war ever since. With France, Ger many, Canada, Portugal and Hayti all running over us, it is about time our navy was sent out with instructions to do something to make some- the 24th inst.

The annual dinner of the Tobacco Club, held January 16, at the Galssome of whose exploits are narrated in another column, belongs to a class in another column, belongs to a class of fare, the like of which, f. om an epicurean point of view has been but seldom equaled and never excelled. We have a copy of the mean before us. It is beautifully seldom equaled and virtuous girls, whose minds they seek Fruit, who has been she with pure and wirtuous girls, whose minds they seek Fruit, who has been siek with pneumental and make they seek fruit, who has been siek with pneumental and make they seek fruit, who has been siek with pneumental and make they seek fruit, who has been siek with pneumental and make they seek fruit, who has been siek with pneumental and make they seek fruit and make they seek fruit and make they seek fruit as one better. printed on pale blue paper. A Spider That Was a Spider. A correspondent of the Calcutta En sends a description of an enormous spider which was killed in a house. The creature was found clinging to a door curtain, and when alarmed emitted a grating sound, but whether with its mandibles or with its feet could not be ascortained. It showed no disposition to run away, or even to move from the spot where it was till it was thrown down, when it was killed with a blow of a stick. It is cuite two inches in length and half an inch in breadth, and the two segments of the body are equal in size. It is diswe have a new tobacco rectory, a new lee factory, a new railroad on the way, new tobacco exchange on foot, a new tobacco warehouse building, our newspapers are more alive, brown color. The two fangs are like a sparrow's claws, and exceedingly been so thoroughly awake. These sharp, and if stretched out straight facts are known and scknowledged. would, with the fleshy part, measure It was said that prohibition would kill the town. CROFTON.

Benson's Speech-A Wedding Delay ed-Accidental Shooting

CEOFTON, FEB. 10 .- Luther Benon's speech here last Wednesday night was the finest temperance lecture we ever heard, and it had a telling effect on those who were so fortunate as to hear him. Since then the probibition question has grown hotter each day here, and now "we have met the enemy and they are

have met the enemy and they are ours" in this district.

We have been informed that our county clerk made a mistake in saming marriage license for Mr. John Ell last week by inserting the wrong girl's name, and the mistake was not discovered until after he had been united in the holy bonds by Esq. Fuller (to his betrothed) and congratulations were all over. The young Women, performs surgical Operations perfaise. ions were all over. The young lady's father then demanded that the vould-be groom return to your city and have the correct name inserted n the license and that Esq. Fuller co his work over again. So the marriage was declared null and void until Mr. Eti could have the essential papers properly filled, which was one next day, and they were made happy for the second time. May

they ever be as happy as now. Mrs. Pyle, living a few miles east of here, was accidentally shot in the left arm Friday night by Henderson Crick. The ball made an ugly flesh wound. It was another case of "did'nt know it was loaded."
